EARLY EXPOSURE TO GOD IS FUNDAMENTAL TO THE SPIRITUAL DEVELOPMENT OF YOUR CHILD

Preschoolers are full of energy! We use that energy to help them learn about God. Through age-appropriate activities and lots of wiggles, we embed stories of God's love and power in the minds of preschoolers. Our curriculum is carefully designed to include basic bible stories, memory verses and bible skills. We strive to have God at the center of everything we do, and have fun and friendship woven into the fabric of our program.
